

Tramsschapp Sports and Cultural Centre

Built in place of the former depots and workshops of municipal trams and buses, the Tramsschapp now serves as a sports and cultural centre. With a capacity of up to 250 spectators, it is located in the heart of the Limpertsberg district, renowned for its many educational institutions, including the famous University of Luxembourg.

There are more than 8 parking spaces for disabled people accessible by lift in the underground of the centre. In the centre there are several toilets for disabled people.

The grandstand can accommodate more than 20 wheelchair visitors.
