

Neimënster

Located in the very heart of Luxembourg City on a UNESCO world heritage classified itinerary the unique architectural ensemble has witnessed four-hundred years of historical upheaval (as military bastion, orphanage or prison) and is since 2004 dedicated to cultural projects and festivals as well as commercial and large-scale events. Its 13.000 sqm welcome thousands of guests at nearly 500 organized events a year.

People with reduced mobility have access to our conference rooms, our auditorium and our exhibition rooms, that are located in the different parts of our facility.

There are several seating areas and a wheelchair can be provided if needed. Assistance dogs are welcome!

Please contact us in advance, if you want to assist to an event at our auditorium, in order that we can reserve you places that are adapted to your needs.

There are two parking spaces for people with special needs next to the abbey. If needed and on request, we can grant you access to the private parking of the abbey.
