

RESTAURANT AM PARK

The restaurant is an integral part of the "AM Park" senior citizens' residence, which has opened its doors to people over 60 years of age or with reduced mobility. In addition to 48 private flats, this splendid complex offers a supermarket and a restaurant.

As the flats are classified and equipped according to the Luxembourg standards for accommodation for the elderly and PRM, the restaurant is also subject to these regulations, which ensures excellent accessibility to the site, wide entrance doors and easy access to the sanitary facilities.

Spacious and bright, it invites you to spend a pleasant moment.
