

# COMMUNE DE BERTRANGE 'SCHAUWENBURG'

This old building is located in the center of Bertrange near the church. This old construction with different uses during its history means that despite the efforts made by the officials of the municipality of Bertrange access is limited to PRM, especially to take advantage of the meeting rooms on the 2nd floor.

The ground floor is mainly used for exhibitions, the first floor is divided into different meeting rooms, and on the 2nd floor is a room for vernissage, receptions and others.

Equipped with an elevator, all floors are accessible but the narrow door of the 2nd floor does not allow a PRM to enter with the wheelchair.
