

Hörgeschädigten Beratung - Maison Greisch

This contact point for hearing-impaired people is located in the 'Maison Greisch', which has recently been completely renovated for this purpose. Located on the busy rue de Beggen, next to the 'Cent Buttek' and opposite a department store, is the main aim of this institution to help the hearing impaired in all possible situations.

Presentation room

Name	Value
Name english	Hörgeschädigten Beratung - Maison Greisch
Text english	The bright, spacious room is mostly used as a meeting room for associations, but can also be used for exhibitions or similar. The flat surface as well as the easily manoeuvring tables and chairs allow wheelchair access. In addition, the room is equipped with a beamer and an induction band. A meeting room for employees is located on the first floor, the wide doors and the sufficiently high tables (lower edge 66 cm) allow access for wheelchair users, this room can also be equipped with induction tape. On the 2nd floor of the building there are 2 rooms that can be used for various purposes, eg photo studio, media library, or library. The rooms are easily accessible and barrier-free to enter due to their sparse equipment
