

LUX - EXPO THE BOX

Centre for exhibitions and events of all kinds, the only place of its kind in Luxembourg. The available space is divided into 8 different halls, which are connected to each other. Complemented by conference rooms, exhibitions and other events can be organised in parallel. A well-coordinated team of technicians and their management do their best to make every event a success.

The tram stop "Luxexpo" at the gates of the site, which has been easily accessible since 2017, offers participants and the public an additional means of access. An additional advantage alongside the good connections to the motorways and the airport as well as Luxembourg Central Station, which is 7 km away.

In order to reduce walking distances to an absolute minimum and increase the travelling comfort of visitors, each entrance is directly connected to the bus lines of the City of Luxembourg, the trans-regional lines and the taxi ranks.

More than 1,400 parking spaces directly in front of the exhibition halls, two bicycle parking areas, a bicycle rental station, dedicated parking spaces for exhibitors and organisers. All this right outside the gates of each building. All these facilities are complemented by the numerous public car parks on the periphery.

The location has a variety of exhibition and conference rooms. Each room can be customised to the client's needs. The size of the rooms allows them to be customised to meet specific requirements. Tables and chairs are provided with a minimum height of 74 cm so that people with reduced mobility can also use the tables. Further information on the rooms and their customisation options is available from the management.
