

Train station Michelau

The station is located in the centre of Michelau, on the same railway line that links Luxembourg city with the north of the country, the town of Troisvierges, with a possible extension to Liège in Belgium.

The car park in front of the station is spacious and offers 65 spaces, including 3 for PRMs and 2 equipped with electric charging stations (chargey).

Access to the trains (one track) is barrier-free and on foot. The station building has a waiting room with 10 seats and 6 covered seats outside the building. Toilets are available for passengers, but their installation does not meet PRM criteria.

A ticket machine is available, as well as acoustic train announcements.

rue Principale
9172 Michelau
