

# Légère Hotel

The hotel is located in the Munsbach business park, close to Luxembourg City and Luxembourg International Airport. It can be reached via the motorway or public transport, with a bus stop located around 50 metres from the hotel. This hotel, which opened in 2010, stands out for its large windows, both in the hotel lobby and in the restaurant and conference rooms. Access for people with reduced mobility is provided for the restaurant, conference rooms and car park, but the rooms, although spacious, do not meet the required criteria.
